fitting n machining question pdf

Hi Phil, Thanks for the awesome directions! I emailed the pdf file, actually forwarded the email from Kitagawa so you should have it. Of course I don't have the spanner wrench for the chuck, why on Earth would I possibly have that.....besides, it would just make things easier, so I'm glad it's not around and I have to make one!

Anyone ever repair their lathe actuator, themself?

Please note that our guarantee refers to our products only. Because of the unlimited number of applications and all different types of machines, it is
