Ableton makes Push and Live, hardware and software for music production, creation and performance. Ableton's products are made to inspire creative music-making.

## Music production with Live and Push | Ableton

Hip hop production is the creation of hip hop music in a recording studio. While the term encompasses all aspects of hip hop music creation, including recording the rapping of an MC, a turntablist or DJ providing a beat, playing samples and "scratching" using record players and the creation of a rhythmic backing track, using a drum machine or ...
