Flare (North Star Trilogy Book 3) by Posy Roberts Well this is a fantastically gripping finale to a wonderful series. I knew it would be good as the first two books were brilliant, but I never expected all the twists and turns, the heartwrenching scenarios and the moments where I wanted to bash certain people.

Flare is book three in the North Star Trilogy and you need to read books one, Spark, and two, Fusion, before reading it. Wow! I've loved this second chance series so much. I am both happy and sad to see the trilogy end. Happy because Hugo and Kevin finally get their HEA but sad because I'd really like to read more about them and their family.
