We cannot doubt, after such testimony, of the existence in the frozen north, of the almost entire remains of the Mammoth. The animals seem to have perished suddenly; seized by the ice at the moment of their death, their bodies have been preserved from decomposition by the continued action of the cold.

The Claim of Flash-Frozen Mammoths Is Older Than I Thought

Child abuse is any action by another person " adult or child " that causes significant harm to a child. It can be physical, sexual or emotional, but can just as often be about a lack of love, care and attention. We know that neglect, whatever form it takes, can be just as damaging to a child as
