Redaction is the permanent deletion of data from documents. In the past, markers were used to black out information on documents. These days, it simply doesn't make sense to print out a document to redact it.

Rick's Guide to using Redaction in Acrobat X Pro - Adobe

Active duty and retired members of the armed forces are not immune to the substance use problems that affect the rest of society. The stresses of deployment during wartime and the unique culture of the military account for some differences between substance use in military members and civilians.
