Trailer hitch packages, in general, are divided into four classes. Class I and Class II are usually designed to be weight-carrying with use of a ball mount.

Jeep Grand Cherokee WJ - Trailer towing

In this chapter of Towing 101, we will consider the basic questions you must ask before towing a trailer: what will you be towing? What will you be towing with? And where will you be towing? The type of vehicle you tow with, the type of trailer youâ€™™re towing and where youâ€™™re planning to haul that trailer are all important factors.
